INDEPENDENT AUDITOR'S REPORT

To: Shareholders and Board of Directors of Orange Armenia CJSC,

We have audited the accompanying financial statements of Orange Armenia CJSC ("the Company"), which comprise the statement of financial position as of 31 December 2013, and the statements of loss and other comprehensive loss, changes in equity and cash flows for 2013, and notes comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of 31 December 2013, and its financial performance and cash flows for 2013 in accordance with International Financial Reporting Standards.

Emphasis of matter

We draw attention to Note 3 to the financial statements which describes the restatement of corresponding figures for the years ended 31 December 2012 and 31 December 2011. Our audit opinion is not qualified in that respect.

Other Matter

The financial statements of Orange Armenia CJSC for the year ended 31 December 2012 were audited by another auditor who expressed an unmodified opinion on those statements on 23 April 2013.

As part of our audit of the financial statements for the year ended 31 December 2013, we also audited the adjustments described in Note 3 that were applied in order to amend the 2012 and 2011 corresponding figures. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 2012 financial statements of Orange Armenia CJSC other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2012 financial statements taken as a whole.
