

daily fee	unlimited internet
200 AMD	↓ up to 512 Kbps ↑ up to 256 Kbps

The daily fee will be charged at the moment of your very first connection to the internet regardless of the used internet volume. You will be able to use daily internet till 23:59:59 of a particular day.

If you wish to use internet at a higher speed, simply activate high-speed internet bundles by sending an SMS from your modem interface to **111** short number with **1GB** or **2GB** or **4GB** keywords respectively .

high-speed internet bundles	2 000 AMD 1 GB keyword 1GB	2 500 AMD 2 GB keyword 2GB	6 000 AMD 4 GB keyword 4GB
unlimited internet	↓ up to 512 Kbps  ↑ up to 256 Kbps		
validity period	10 days	10 days	30 days

You will also have an opportunity of sending SMSs for 15 AMD/SMS to all local numbers, as well as at a rate of 20 AMD/SMS to international numbers. A positive balance is the only thing needed.

You can get Internet Daily SIM card by visiting any of **Ucom** service centers. With **Internet Daily** choose one of the 3 high-speed internet bundles which is the most appropriate for your usage requirements. The bigger is your chosen bundle, the bigger is your high-speed internet volume and the longer is the validity period. After the consumption of high-speed internet of your bundle till the end of the validity period you will be able to access internet at a speed of 512 Kbps. The unused high-speed internet volume will be nullified after the validity period expires. Please, note that when you acquire another high-speed internet bundle during the validity period of your current high-speed internet bundle, the validity periods are not added on top of each other, but calculated separately starting from the purchase moment of each one. The subscribers of **Internet Daily** offer cannot benefit from [One More Time](#), [High Upload](#), [Night Internet](#), [Kaspersky Anti-Virus](#) and [Kaspersky Internet Security](#).

**Internet Daily** is a very convenient offer also for tourists, who can use internet as much, as they prefer.

From March 11, the ability to send SMS abroad from the mobile Internet number will be suspended. Continue sending SMS to local networks.

Additional services/bundles are activated after receiving the SMS confirmation message/notification.
