

Special offer for those who also want to use their Internet Now usb modem as flash memory card.

You can purchase an Internet Now usb modem that was returned by a customer within Orange 15 days return policy and enjoy receiving a 2 GB memory card with your usb modem. All returned usb modems have been fully tested and technically offer the same specifications as brand new ones. They also benefit from a one year full warranty.

When you purchase one of the repackaged usb modems, you still benefit from the possibility of returning the product within 15 days. Therefore, you will be given a coupon valid for a 2 GB Micro SD memory card, which you can exchange against the memory card only after the expiration of the 15 days return policy.

The coupon is valid for 3 months.
