

From now on the subscribers of **Ucom** internet have a possibility to share their high-speed internet bundle with their close ones and use it altogether. With **Internet Together** service you can get 1 or 2 additional SIM cards to be attached to your main account, which will enable you to use simultaneously the high-speed internet bundle envisioned by your subscription. Upon the consumption of your high-speed internet bundle you will have an access to the unlimited internet with all of your cards in accordance with your tariff plan.

tariff plan	U!Go 5500	U!Go 12500
additional monthly fee for the 1 <sup>st</sup> SIM card	2000 AMD	no additional fee
additional monthly fee for the 2 <sup>nd</sup> SIM card	2000 AMD	2000 AMD

The monthly fee for **Internet Together** service is fully charged regardless of the number of days you have used the service or the modem. The **Internet Together** service shall be active unless you decide upon its termination.
