monthly fee*	activation	trial version
1500 AMD	send keyword <b>KIS</b> 135 short number	<a href="#">download</a>

\*If you are a subscriber of U!Go 12 500 tariff plan, you can benefit from Kaspersky Internet Security service free of charge. For subscribers of lower tariff plans (U!Go 3500, 5500) the monthly fee for the service is 1000 AMD.

You will be able to use Kaspersky Internet Security service free of charge when subscribing to [U!Flash 15 000](#) and [U!Fi 15 000](#) tariff plans. In case you migrate to a lower tariff plan you will have to pay 1500 AMD monthly fee.

You can receive only 1 activation code for Kaspersky Internet Security program, which, if lost or forgotten, can be recovered by sending the keyword INFO to 135 short number.

The program should be activated only once and it will continue operating by charging 1500 AMD monthly fee from your account each month. The monthly fee will be charged fully, despite the program activation date.

To deactivate the program, just send the keyword STOP to 135 short number or visit [My Account](#) page.

The program will continue operating and will be deactivated only on the 1st day of the following month.

After receiving the activation code, you'll need to download and activate Kaspersky Internet Security program.
