Under this offer, the gift is not the Level Up+ 3000 or Level Up+ 1700 tariff plan itself, but rather the trial bundle that comes with these cards, which includes 100 minutes + 10 GB of internet and is valid for 10 days.

On June 12, 2025, during the Gen 5 Fest event held in Diana Abgar Park, all attendees had the opportunity to receive a free trial bundle from the Ucom booth, which included 100 minutes and 10 GB of internet to test Ucom's network under the same conditions, except for the requirement to purchase a Level Up+ tariff plan card.

In other words, at that time and location, the offer did not require purchasing any Level Up+ plan in order to receive the trial bundle with the corresponding card (Level Up+ 3000).

Under this offer, the gift was not considered to be the Level Up+ 3000 or Level Up+ 1700 tariff plans themselves, but rather the trial bundle provided with those cards, which included 100 minutes and 10 GB of internet valid for 10 days.

On August 30, 2025, during the international music festival “Music Fest with Coca-Cola 2025” held at Sound Park, all visitors had the opportunity to receive a trial package from Ucom’s booth, which included 100 minutes + 10 GB of internet, free of charge, to test Ucom’s network under the same conditions, except for the requirement to purchase a Level Up+ tariff plan card.

In other words, at that time and place, within the framework of the offer, it was not required to purchase any Level Up+ tariff plan in order to obtain the trial package with the respective card (Level Up+ 3000).

Within the framework of this offer, the gift was not the Level Up+ 3000 tariff plan itself, but rather the trial package with 100 minutes + 10 GB of internet provided with those cards, valid for 10 days.
