This special New Year offer will be valid for a period of 24 calendar months. You can benefit from the offer while uPrepaid, Universal/Universal Plus services are in active period.

To check the remainder of your internet inclusions dial \*133# and follow the instructions. Within the frames of this offer all **uPrepaid tariff plans' subscribers** will get twice more internet valid for 30 days. It will be provided only once during a 30-day validity period together with the main internet volume.

**Universal/Universal Plus** tariff plan subscribers will get twice more internet once a month along with the main internet inclusions.

In case of migration among the eligible tariff plans, the internet volume provided within the scope of this offer will be canceled and you will get a new internet volume in accordance with the newly selected tariff plan. The internet connection shall not be interrupted when the internet volume is consumed, and you will keep on benefiting from the internet in accordance with your tariff plan.

The internet volume of **uPrepaid, Universal/Universal Plus** service tariff plans cannot be used when in roaming. In case of migration to Ucom Business subscription or **uSimple** prepaid tariff plan the doubled internet volume will no longer be provided.

\*monthly fee in case of on-credit payment during 36 months.
