service fee	3000 AMD				
first time activation*	free of charge				
activation	send OMT keyword to 111 number				

The price for **One More Time** service is 4000 AMD for **U!Box** service subscribers.

One More Time option will give you the same volume of high-speed traffic that you receive monthly. Unused traffic will be transferred to the next month.

Monthly you can activate up to 5 **One More Time** options, if you have positive balance.

You can activate **One More Time** option also from your credit limit. You need to pay for your used credit limit up to 20th day of the upcoming month together with your monthly fee.

From time to time Ucom can make a promotion, thanks to which all those subscribers who have previously used **One More Time** service can activate it at a discounted price.

*First time activation of **One More Time** service for the subscribers of **U!Flash** and **U!Fi** (with a monthly fee of 6000 and more), as well as **U!Box** subscribers is free of charge within the frames of the mentioned tariff plans.

Additional services/bundles are activated after receiving the SMS confirmation message/notification.
