

Premium WiFi

With **Ucom fixed Internet** you may also activate a Wi-Fi service and connect all your home devices to the Internet. To do so, you'll just need to subscribe to any of **U!Net**, **3Play** or **4Play** tariff packages for 1 year or pay 10 000 AMD one-off fee, without a subscription.

If you are already using **Ucom Wi-Fi** service, but need a larger Internet capacity and access space, you may activate **Premium Wi-Fi** service, by paying 1500 AMD monthly, which will be added to your monthly fee. In case of subscription to this service, a large-capacity **Premium Wi-Fi** device supporting up to 183m coverage radius, depending on the conditions of environment, will be installed at your place.
