If you already have any of Ucom 500, Ucom 1000 and Ucom 1500 bundles you will continue benefitting from it unless you deactivate it or migrate to other tariff plan for which the bundle is not applicable.

Ucom 500 AMD	Ucom 1000 AMD	Ucom 1500 AMD
500 on-net minutes + 50 MB	1000 on-net minutes + 50 MB + 10 international minutes	1000 on-net minutes + 5 GB + unlimited internet
25* AMD/minute off-net calls	25* AMD/minute off-net calls	25* AMD/minute off-net calls

The activated bundle is valid for 30 days. It'll be automatically reactivated after 30 days and the price of the chosen bundle will be charged from your account. You can check the remaining of the bundle by dialing *129#or dialin 129.

You can also stop the automatic reactivation of the bundle, by dialing *201*0# for Ucom 500, *202*0# for Ucom 1000 or *203*0#for Ucom 1500 bundle respectively. After you deactivate the bundle you will not be able to activate it again, as these bundles are no longer available.

This offer is available for all U!Simple and Hello subscribers.

The bundle will be reactivated 10 minutes before the expiration date of the active bundle. Before the reactivation starts you should have enough balance for the new option's reactivation. Additional services/bundles are activated after receiving the SMS confirmation message/notification.

At the same time you can activate 1 bundle and 1 Ucom unlimited option. If you activate one of these prepaid bundles having already any active Ucom unlimited option, the bundle will be activated with automatic reactivation mode and the automatic reactivation of unlimited option will be canceled.

Internet inclusion of Ucom 1500 bundle can be used only from mobile phone.

The offer is not available, if you are in roaming or your number is inactive.

* Off-net rate is applicable for U!Simple tariff plan only.

** You can use the international minutes to call Russia, Georgia, the USA, England, Ukraine, Iran, Syria and other countries included in 1-6 international zones.

*** After 5 GB of high speed traffic is over you'll continue using unlimited internet at a speed of up to 512 kbps.
