Starting 02.04.2024 the monthly fees of u1000, u1500, u2000 and u3000 prepaid tariff plans will become 1200, 1700, 2200 and 3200 drams respectively. [Learn more](#)

The tariff plan can only be obtained in the regions of Armenia. It is not possible to switch to the **u1000** tariff plan from other tariff plans. The tariff plan inclusions are valid for 30 days. After 30 days, the inclusions will be activated automatically and you will be charged with the appropriate amount.

In case there are no sufficient funds on your account, the inclusions will not be activated and you will continue using **Ucom** services at standard rates according to your tariff plan. To activate the inclusions again you need to recharge your account with an amount equal to the inclusions' fee.

You can check your inclusions by dialing *133# and choosing “**Inclusions**”.

*Till May 31, 2021 inclusive within the 30 days validity period of tariff plan inclusions, there will be no internet charge while using Twitter, Skype, Zoom, Viber, WhatsApp, Google Classroom, Microsoft Teams applications, as well as visiting zoom.us, armediu.am, emis.am, kahoot.com, etwinning.net and e-school.am websites.

In order to completely benefit from the mentioned applications and websites, you should have a positive balance on your account. When using these websites and applications there may be data exchange among other internet resources, the charging of which will be performed in accordance with the tariff plan.

You can use the inclusions provided within the tariff plan/package, once you have received the confirmation SMS message/notification.
