Internet together service

		
---	---	---

Upon consumption of the high-speed internet volume available for uGo 3500, uGo 5500, uGo 7500 tariff plans the download and upload speeds will be 64 kbps, which should be just enough to proceed with the online payment and activation of the high-speed internet bundles. If necessary, you may activate the high-speed internet bundle from your credit limit as well and keep on benefiting from faster internet. The price of an SMS to all local networks is 15 AMD, while the ability to send SMS abroad from the mobile Internet number is suspended.

When subscribing to one of the uGo 3500, uGo 5500, uGo 7500 tariff plans for 18 months, a uFi LTE MW45V modem can be purchased at 1 AMD.

All the uGo 3500, uGo 5500, uGo 7500 tariff plan subscribers, who have joined before May 1st, 2022 and have no current commitment, will get additional volume of internet until May 1st, 2023 without any additional commitment.

All those uGo tariff plans subscribers, who've joined before May 1st, 2022 and have a commitment, will get [an additional volume of internet](#) until the end term of the commitment.

If you already benefit from the “Extra Internet Volume” offer, you can purchase the device with 18 months' commitment without having to pay the waiver. In this case the offer is no longer available, but you will get the same volume of inclusions as per device commitment terms.

From June 1st, 2022 the internet volume you have been getting on the 20th day of each month, will be given to you on the 1st day of the month along with the main internet volume.

You need to make payment every month till the 20th day of it inclusive. To check the amount due just send a blank SMS to 133 short number or dial *133*11# and insert Ucom's internet number from any Ucom mobile voice number.

*If the consumed internet volume exceeds 200 GB within a month, Ucom holds the right to set the maximum internet speed at 1 Mbps in order to avoid the network overload. Starting from 01.06.2025 "U!Go 3500" tariff plan will no longer be available. Subscribers of "U!Go 3500" tariff plan will automatically be switched to "U!Go 4000", and as a special offer, every month will get 70 GB of high-speed internet without any additional commitment. In case of ongoing commitment for the modem, the terms of commitment will kept intact.
