Starting 02.04.2024 the monthly fees of u1000, u1500, u2000 and u3000 prepaid tariff plans will become 1200, 1700, 2200 and 3200 drams respectively. [Learn more](#)

The tariff plan inclusions are valid for 30 days. After 30 days, the inclusions will be activated automatically and you will be charged with the appropriate amount.

In case there are no sufficient funds on your account, the inclusions will not be activated and you will continue using Ucom services at standard rates according to your tariff plan. To activate the inclusions again you need to recharge your account with an amount equal to the inclusions' fee.

You can check your inclusions by dialing \*133# and choosing "Inclusions".

\*\*Till May 31, 2021 inclusive within the 30 days validity period of tariff plan inclusions, there will be no internet charge while using Twitter, Skype, Zoom, Viber, WhatsApp, Google Classroom, Microsoft Teams applications, as well as visiting [zoom.us](https://zoom.us), [armedu.am](https://armedu.am), [emis.am](https://emis.am), [kahoot.com](https://kahoot.com), [etwinning.net](https://etwinning.net) and [e-school.am](https://e-school.am) websites.

In order to completely benefit from the mentioned applications and websites, you should have a positive balance on your account. When using these websites and applications there may be data

exchange among other internet resources, the charging of which will be performed in accordance with the tariff plan.

#### Rates after inclusions

	Within 30 days after the included minutes	in case inclusions' validity is over
calls within Ucom mobile network	0 AMD/minute	25 AMD/minute
calls to other local networks	15 AMD/minute	25 AMD/minute
mobile internet	15 AMD/MB	25 AMD/MB
SMS to local and international networks	15 AMD/SMS	25 AMD/SMS
MMS to local networks	15 AMD/MMS	
MMS to international networks	290 AMD/MMS*	

You can change your tariff plan to another one any time, by simply dialing the corresponding code for a preferred tariff plan, or dialing \*255# or just calling 255 short number and following the instructions. For tariff plan change you need to have enough amount on your account to activate the inclusions.

\*International MMS is active only for the mentioned operators in given countries: Orange Austria, Orange Jordan, Orange Moldova, Orange France, Free Mobile France, Kcell Kazakhstan, Unicom China, MTS Russia, Magticom Georgia, Kyivstar Ukraine, Babilon-Mobile Tajikistan, Coscom Uzbekistan.

The reactivation of inclusions will start 10 minutes prior to the end of the validity period. Before the reactivation starts you should have enough balance for inclusion's reactivation. You can use the inclusions provided within the tariff plan/package, once you have received the confirmation SMS message/notification.

The tariff plan inclusions are not applicable in roaming.
