

You are mostly a tablet user and want it to be always connected to the internet, even when there's no Wi-Fi network available? Then U!Tab offer is just for you.

monthly fee	3000 AMD
unlimited internet	↓ up to 2 Mbps

You can also send SMSs to all local numbers directly from your tablet at 15 AMD/SMS, while the ability to send SMS abroad from the mobile Internet number is suspended.

Within the scope of this offer you'll be provided with a SIM card, which is only compatible with tablets.

**U!Tab** tariff plan subscribers have 2000 AMD negative credit limit, from which they can send SMS. Used credit balance will be necessary to pay until the 20th of following month together with your monthly fee.

**U!Tab** tariff plan is designed for **Ucom's** Mobile Internet new subscribers. If you've joined **Ucom** Mobile Internet with any other tariff plan (except for [Internet Daily](#) services), you cannot migrate to **U!Tab** tariff plan.

The internet sharing and the use of the shared internet from other devices (Tethering) might be limited.

Starting from 01.06.2025 the monthly fee for the U!Tab tariff plan will increase from 2500 AMD to 3000 AMD, while the speed of unlimited internet will double to 2 Mbps.

The purpose of the change is the continuous improvement of the network infrastructure and the provision of quality services to subscribers.
