Activation fee	Minutes	Internet	SMS
2500 ֏/15 days	**300 minutes** to all local networks, USA, Canada	**Unlimited***	**300 SMS** to all local networks

- **The uWelcome tariff plan will no longer be available for sale from November 1, 2026.**
- uWelcome tariff plan can be purchased at the Ucom service center located at Zvartnots International Airport.
- The tariff plan inclusions will be valid for 15 days. After 15 days, the inclusions will be automatically reactivated and the corresponding fee will be charged from your account.
- You can check your inclusions by dialing 133# and choosing "Inclusions".
- After 15 days, if there are insufficient funds in your account, the inclusions will not be reactivated and you will continue using Ucom services at standard rates according to your tariff plan. To reactivate the inclusions, you need to recharge your account with an amount equal to the inclusions' fee.
- You can change your tariff plan to another one any time by simply dialing the corresponding code of the preferred tariff plan, or dialing 450# or just calling the 450 short number and following the instructions.
- When migrating to a new tariff plan, the minutes, SMSes and MBs provided by the previous tariff plan will be annulled, and the inclusions corresponding to the new tariff plan will be provided. When choosing a new tariff plan, you should have enough funds in your account to activate the inclusions of the new tariff plan.
- You cannot use the included minutes to make video calls.
- The reactivation of the inclusions will start 10 minutes prior to the end of the validity period. Before the reactivation starts, you should have enough funds in your account to reactivate the inclusions. You can use the inclusions provided within the tariff plan/package once you have received the confirmation SMS message/notification.
- The tariff plan inclusions cannot be used when in roaming.
- The internet sharing and the use of shared internet from other devices (Tethering) might be limited.
- uWelcome tariff plan is intended for smartphone use only.
